AUGUST, 2016

A reminder of the Police Surgery -
10.30 a.m. Wednesday, 31st August!

A New Activity! October will see the start of a Tai Chi Activity at the Centre, run by Sue Stevens on Monday mornings. She will be very pleased to hear from anyone interested in taking part. Leave your details for her in Reception.

CHAIRMAN'S CHAT

We continue to get many positive comments regarding the attractiveness of our front garden as well as the cleanliness and good order of our buildings generally. Let us all be proud of our Centre and help to "spread the word" of all it can offer to the wider community. Our recently-formed Publicity Sub-Committee is already working on new strategies to this end. In particular a coloured trifold leaflet is in preparation and we are looking at ways of going out to the town to promote the Centre rather than waiting for people to come to us!

In recent issues I have stressed the need for more volunteers to cover the many roles within the Centre. It is, therefore, a matter of concern that, in at least two cases, volunteers have gone away discouraged when they have declared an interest in helping us. Apart from the staffing of Reception and Kitchen, there are several roles which need support upstairs in the office. In this respect it is

FROM THE EDITOR

As I sit here preparing this edition of your Newsletter, we're experiencing a couple of days of heat but, really, the weather hasn't been much to write home about so far, has it? Not much chance to sit out and enjoy the lovely Centre garden. All hopes in mind for a nice Indian Summer???

Enjoy the last public holiday at the end of this month before Christmas. Does it bear thinking about?

Members will be sorry to learn that Nancy Friend has stepped down from her role in Reception. We wish her good health and a relaxing opportunity to "sit back and admire the roses". She will, however, help out in an emergency situation, continuing to attend the Lunch Club and as Treasurer of the Line Dancing section.

Referring to the garden, Peter Woodward (member of our language classes) has written:-

"We would like to express thanks and appreciation to Genevieve Sager for the ongoing planning and planting of the delightful, colourful floral displays".

I'm sure Peter's words will be echoed by many of us who take time to stand and admire all that has been done and continues to be achieved. How does Genevieve find the time (and energy) to do all that work AND carry out her role as Betty's deputy in the kitchen?

good to report that Angela Hallam has now taken over as Membership Secretary, and we thank her for this.

A special word of thanks to Nancy Friend who, as you read earlier, recently stood down from her regular duties in Reception. When I first joined the Centre she was our Head Receptionist and has given us faithful service over many years. Steve and Dorinda Hill kindly organised a presentation to her on your behalf. I would also like to thank Sylvia and Jim Rough for their loyal help in maintaining our notice boards over several years. Please continue to hand in notices to Reception. I must remind everyone that, whilst we are able to accept notices from Sections, Activities and Affiliated Groups, we **cannot** accept them from commercial organisations or even from well-meaning (non-affiliated) charities. Steve Hill has now provided an additional notice board for official information of a town-wide nature, which replaces the elderly town map in the corridor. An up-to-date town map is available in reception for consultation should the need arise. Following discussions at our AGM regarding the possibility of purchasing a defibrillator, I must now record that your Executive voted (by 7 votes to 3) **not** to invest in this equipment at the present time.

I am still planning to put on a "Dementia Awareness Session" for all interested members. Please sign up on the list in the corridor as soon as possible. The session is likely to take place in September or October.

A new sort of Open Day?

In recent years I have headed a pre-Christmas Open Day, as part of the Town Festival, where we have staged displays and manned demonstrations here at the Centre, inviting the wider public to come

and visit us. Our new Publicity Team is hoping to change the format this year as follows.

We would have a stall on Station Road as part of the "community zone" offering updated literature, newsletters, etc. and inviting passers-by to call in at the Centre for refreshment, to tour the facilities and view static displays of our many activities. Such a project would involve **two rotas of volunteers** (one at the stall and one in the Centre). We would hope that members of Sections and Activities, free from manning their own demonstrations and displays, would offer to enlist.

Please note that your comments or ideas would be most welcome, as well as **offers of help for Saturday, 3rd December.**

In order to present a suitable stall we need to beg, borrow (or steal?) a **sturdy gazebo** which won't go into orbit in inclement weather. If any group possesses one or knows where such might be obtained, please get in touch with me as soon as possible.

Could each group also give early thought to the production of an A4 poster which would form part of our static displays in the Centre. Many thanks!

Malcolm Swan

FROM THE WEBMASTER

Some of the groups are not meeting in August, taking the opportunity for a break until September. If this applies to your group please let know and I can then ensure the website reflects this. I will have to check the "What's On" section to see what changes may be required.

You may wish to visit the Newsletter page on which you will find a link to last month's Newsletter. It is available as a Portable Document Format (PDF) so you can download and review it. Hopefully, you will find this month's issue there as well. So

you can read it when on holiday or just at home!

I have also been helping on the Publicity Team which is designing a new logo and trifold leaflet to promote the Centre to non-members. These can be placed around the town for non-members to pick up. When this has been finalised I will put a copy on the website.

If you visit the website hoping to find information about our activities but cannot or are having difficulty doing so, please let me know. It is very easy for me to know where the items are on the website but you, as a visitor to it, may not find it so easy, so I need **your** help to make things better!

ART

We had some very positive reactions to our Exhibition of Paintings, which was held at the Centre last month. I think visitors were surprised at the standard and variety of the 80 on display, all painted by our members. Whilst a little quiet at times, overall we had more visitors than last year so hopefully the word is getting around and we will attract more members to join the group. A number of visitors to whom I spoke appeared to lack the confidence to "start painting" although they showed an interest. As adults we are a lot more afraid to paint; we become more inhibited and have psychological barriers to overcome. Many people felt they didn't know what

to draw or paint. I always say "paint things which you like or something you care about. Painters often draw forest landscapes and seascapes". You can get a lot of satisfaction from just drawing what you see in front of you. Why not come along for a chat, meet new friends and build that confidence to pick up a paint brush. You will be made most welcome.

We meet every Wednesday from 2 to 4 p.m. at the Community Centre and the first taster session is free, so come along or email me.

BRIDGE

Contact: Christopher Fradd

The section continued to flourish in its usual way during June, happily less impeded than in May by the succession of Bank Holidays. The Social Bridge Evening took place on 16th July. Winners were Graham and Sue Lewis, runners up were Joan Bryant and myself, while the losers were Pat Day and Rosemarie De Wet. These social evenings continue to be very much enjoyed and new pairs would be very welcome.

Please note there will be NO bridge in the afternoon of Monday, 29th August, because of yet another Bank Holiday.

CANASTA

Contact: Our sessions will continue throughout the summer. New members and visitors will always be welcome - new players as well as experienced hands.

COME DANCING

Contact: June, 619772

Due to the deadline for submission of copy for the Newsletter, at the time of writing the 22nd July section holiday to Warner's at Bembridge on the IOW has yet to take place. I hope that all who went had a good time in spite of whatever the weather decided to

do. Hopefully summer will have finally arrived!

What a good night we had at the beginning of July, dancing to the wonderful organ music which the very accomplished Larry Green played for us. It was a most enjoyable evening with a great atmosphere. Thank you to all who supported the event.

The next themed night will be the Hawaiian Dance on 16th August, so shake out those grass skirts, break out the flower garlands and get your tickets - only £2 for members, £2.50 for visitors. All welcome. Please provide your own refreshments.

Our weekly Tuesday evening dances continue without a break throughout the summer months, and we are always pleased to welcome visitors to the area. If you want somewhere to spend an enjoyable evening, come along and spend it with us!

Starting on 3rd September the twice-monthly Saturday dances will once again be held on the first and third Saturdays from 7.30 to 10 p.m. No refreshments are available on Saturday evenings, so please bring along your own if required. Do please support the Saturday dances!

Change of Date: The Christmas Dance will be on 20th December and **not** the 13th, so please amend the back of your membership card.

This is YOUR Newsletter, so if there is ever anything you would like included which you think may be of interest to other members of the Come Dancing section, please let me know.

DISCUSSION GROUP

Contacts: Bob Dowling, 838538; Colin Bower, 613254

Last month we discussed a very wide range of issues, not only the four questions agreed in June but three others including who we would have chosen as Prime Minister, also what we had learnt

from the Chilcot/Iraq Inquiry Report.

We are taking a break throughout August and our next meeting will be at 2 p.m. on Tuesday, 13th September.

We would welcome new members to these classes, in particular the French beginners and German improvers. There is also the possibility of a new German beginners class so if you are interested do get in touch.

LINE DANCING

Contact: Alan, 477246

What mood are you in? Are you feeling energetic? Then we have just the right fast dance for you with an Irish song. Or maybe you feel a little nostalgic and would prefer a slower dance to country music. Whatever your taste or mood, we have something for everyone on a Friday afternoon, so come along and join us for a good mixture of fast, slow or just plain old romantic music to dance to. If you have a favourite line dance just ask our teacher, Nicky, and she will try to find it for you. See you soon!

MAHJONG

Contact: Monica Hilditch, 622218
Our small group keeps going in spite of the holiday season. We never close! However, new faces are always very welcome, especially if you have played this interesting game before. We play every Friday from 1.15 to 4 p.m.

MEN'S GET TOGETHER

Contact: Secretary Derek Sheldrake, 628675

At our July meeting John Avery told us about "Mary Seacole; The Lady Without The Lamp", who was born in 1805 in Kingston, Jamaica, of Scottish/African descent. She set up a "British Hotel" behind the lines in the Crimean War, describing it as a "mess-table and comfortable quarters for sick and convalescent officers". It also provided succour for servicemen wounded on the battlefield. She was posthumously awarded the Jamaican Order of Merit in 1991 and, in 2004, voted the greatest black Briton. Mary acquired knowledge of herbal medicine in the Caribbean. When the Crimean War broke out she applied to the War office to assist but was refused, so she travelled independently and set up her hotel, becoming extremely popular among service personnel who raised money for her when she later faced destitution.

After her death she was forgotten for almost a century but is today celebrated as a woman who successfully combated racial prejudice. Her biography "Wonderful Adventures of Mrs. Seacole in Many Lands" is one of the earliest autobiographies of a mixed-race woman although some aspects of its accuracy have been questioned and claims made that her achievements have been exaggerated for political reasons. The erection of her statue at St. Thomas's Hospital in London this year describing her as a "pioneer nurse" has generated controversy. For our meeting on 4th August

Arthur Fairchild will describe "Flat Bottomed Boats", an account of a journey undertaken in 1945 from Plymouth to Cochin in India in a tank landing craft designed merely to cross the Channel!

At our meeting on 1st September we will welcome a representative from the Hampshire & IOW Wildlife Trust, telling us about its work including wildlife and habitat protection.

We meet at 10 a.m. on the first Thursday of the month at the Community Centre, always pleased to welcome new members and visitors.

MOD. BALLROOM DANCING WITH SOME SEQUENCE

Contact: Pam Badcock, 01202 980177

July brought the third and final Saturday Night Dance. A lovely evening of dancing with a wide mix of ballroom, Latin and sequence including a Viennese Waltz for the more agile of us, and Argentine Stroll for the sequence enthusiast. All of this thanks to the hard work of John and Diana Harris's organisation and presentation, as well as those members and friends who supported this trial effort.

Remember that the Centre stays open in August so there will be the usual Thursday Evening Dance. Why don't some of Alwen's "beginners class" come and join us to keep up what they have already learnt, ready to **start back in their own class on the amended date of 16th September?** Everyone keep on dancing!

POETRY

Contact: Shirley Burke, 628992
Several of the group were away on holiday when we last met so numbers were lower than usual. The topic was colour, so a wide variety of verses was chosen. Some poets such as Betjeman,

Ayres, Wordsworth, Keats and Shelley are represented but we do enjoy hearing the work of lesser know local poets.

For August members will be searching for poems about horses or animals in general. Please do join us at 10.30 a.m. on Thursday, 18th August, to find out more about this friendly group. We do always welcome new members and visitors, whether they want to read poems or simply listen to others.

SOCIAL SEQUENCE DANCING

Contact: Dee, 627922

This year's very unseasonal weather has ensured that our Thursday afternoon dances are well attended, encouraging visitors to pop in as well as our normal band of regular dancers. This is appreciated by the music presenters as it makes all the off-site preparation of music selection and variety of dances really worthwhile.

Although many sections close in August we continue to run our dances every week so there is still good reason to come to the Centre and enjoy an afternoon of good music and gentle exercise in a light-hearted, social atmosphere. We start promptly at 1.45 p.m.

TABLE TENNIS

Contact: Secretary Gloria Lovelock, 613705

Sorry no news last month but we are back from our vacation in Cornwall. Marvellous! You can get perfect reception from Tim on the space station but you can't get wifi when you're out in the sticks. One of the places we would recommend to visit is Mount Edgcumbe Country Park. Check this out on the web page for more information - <http://www.mountedgcumbe.gov.uk/>. On 9th July the annual New Milton Town Show - Hoburne Festival of Wheels hosted a

Classic Car Show on the rec. Well worth a visit next time if you missed it. Star of the show for us was a 1959 Caribbean Blue/White Buick Invicta, Elvis, Cocoa Cola, and Rock and Roll. Check out our notice board for a photo.

Now for table tennis news! Note for your diary that the Christmas Bash will be held at its usual venue on Friday, 9th December. Details to be posted on our notice board September/October.

Thank you for your support and see you at the tables.

Unfortunately our advertised speaker was unable to attend and we, therefore, welcomed Gwen Appleton to talk on "Why Me?". Gwen spoke of her life from birth through to the present day, covering her traumatic arrival, school days, marriage and work on a farm as well as other places of employment. She also mentioned her travels over the years and some of her experiences which were very humorous. A very enjoyable morning was had by all.

At our 7th September meeting Peter Roberts will talk about "The Changing 19th Century Forest" and, on 5th October, Mary Randall will give a presentation about the "Homeless - Salvation Army

Meal Run". The Sway Bell Ringers will entertain us on 2nd November.

Why not come and join us at 10 a.m. on the first Wednesday of each month (except August) at the Community Centre. We will always welcome new members and visitors. Refreshments available.

The two latest talks were given by members. When the speaker failed to turn up last month Treasurer Rodney Betts, a retired banker, stepped forward to save the day. The general idea that a banker's life is one of boring routine was rapidly dispersed as he described all that happened to him during a long career. As a young man starting at the Midland Bank in Norwich, he learned how to deal with all types of accounts, read signatures and, later, computerised banking. Rodney's "off the cuff" talk was a great success and he held the audience's interest from start to finish.

Two weeks later Lester Ruckley gave an illustrated talk on campanology, covering the history and casting of bells, their weights and the art of ringing them. Monks used handbells as far back as 500 AD and, later, bells were hung in church towers - first a single and now up to 13 in big churches and cathedrals. The casting and tuning of these heavy bells (originally in a field near the church and now in foundries) was interesting. The outer cope and inner core are made from goat hair and cow dung, and molten metal is poured into this casing. Tuning is achieved by scraping slivers of metal until the correct pitch is acquired. Now, computerised

testing replaces the tuning fork! Lester involved six people from the audience in trying to master the art of ringing changes; they certainly required a lot more training!

If any reader is interested in becoming a ringer, please contact a local church where you will be accorded a warm welcome.

Gateway Club: We are looking to enhance our leadership team by appointing an Assistant Leader for Tuesday evenings and another Leader for Saturday afternoon, both during term time. **These are paid positions!**

The Clubs provide a range of sporting and leisure activities for adults with learning disabilities at the Nedderman Centre, Marryat Road, New Milton. Sessions are relaxed and friendly, with the current leaders and volunteers ensuring all members enjoy what they do. We also have occasional outings, mostly on Saturdays.

Some experience of working with adults with LD is ideal but not essential. More important will be the ability to enhance and develop the Club facilities.

On a Tuesday evening last month the Common Room was full to capacity with members and non-members interested to hear our Chairman's presentation on housing development plans for the town over the next 15-20 years.

Some 900+ dwellings must be built here during that time (four sites already designated and inevitably affecting green belt land). Whilst it could be felt that this may not affect older folk, it will undoubtedly have some impact on local amenities, education, medical facilities, traffic, policing and general infrastructure - all affecting our children/grandchildren who wish to continue living here.

It is emphasised that, at this time, nothing has been "cast in stone", no land purchases have been made, access and potential traffic problems have not been addressed. There is an awful lot of work to be undertaken over the coming months. **Rumours already abound and these need to be ignored!** Further details can be obtained by visiting www.newmiltonplan.org.uk.

A word of thanks here to Caretaker Albert, who cheerfully set up the Common Room with

every chair he could find and was generally so very helpful to us.

At a recent meeting Clive Rigden gave a talk on the Company of Pikemen and Musketeers of the Hon. Artillery Co., ceremonial bodyguard to the Lord Mayor of London. Unfortunately, there was a technical fault with the equipment so we were unable to see the pictorial display. However, Clive dressed in the uniform of the Regiment and gave a verbal description of the duties and functions attended. It was all very funny and we had a good laugh.

At 2 p.m. on Wednesday, 24th August, at the Memorial Centre Mrs. Sandra Simmons will tell us about "Life Under The Veil", an extraordinary account of what happened to a young lady when she joined the Royal navy at the age of 18. Visitors welcome at £2

We are exploring the possibility of forming a new group, so do join us to see if it is of interest to you.

Are you interested in short break holidays in the UK? We will be holding an open meeting at the Community Centre from 10 a.m. to 12.30 p.m. on Friday, 5th August.

Places are limited but there are still a few available for Somerset in September, Sidmouth in November and Barnstaple for Christmas. Bookings can be made at the open meeting.

Plans are now under way for 2017 holidays, so information on all of these will also be available from organisers at the meeting. Look forward to seeing you!

Laugh Lines

An elderly lady was arrested for shoplifting and when she went before the judge he asked her "What did you steal?" She replied "A can of peaches, I was hungry". He asked "How many peaches were there in the can?" and she answered "Six". The judge said "Then I will give you six days in jail". Then the woman's husband asked if he could say something and, given the nod, said "She also stole a can of peas!" **Glo**
