

MGT E-NEWSLETTER

Issue No 57 September 2016

Welcome to the latest edition of our E-Newsletter,

A reminder of the event's which are happening soon.

Our next meeting

Will be on **Thursday 1st September**, when **Hazel Fotheringham**, from **The Hampshire & IOW Wildlife Trust** will be telling us about the work of the Trust, including wildlife & habitat protection. With the New Forest on our doorstep, this should be an interesting presentation on how we should protect one of our most valuable facilities, and all that live in there, and round about.

Outside Trip

Frank's visit to the **Winchester Science Centre** will be on **Thursday 29th September**. The cost of the trip will be £15.00, which includes minibus fare, entry to the Centre (1.30 pm) and a Planetarium Show (2.30 pm). Entry after 1.30 pm ensures a cheaper group rate. **We need to be at least 15 in number to guarantee the lower rate. This meeting will be your last chance to join the trip. See Frank with your questions and payment.**

We will leave from the Community Centre at 10.45 am and stop for a pub lunch before going into the Science Centre. Lunch NOT included in the price. I hope to announce the venue for the lunch on Thursday. We leave the Science Centre for the home trip at around 4.00 pm

October meeting

The speaker for our next meeting on **6th October** will be **Rob Curtis**, who will be talking about "**A Social History of Sanitation**", a light hearted look at an important facility.

I look forward to seeing you all again at our next meeting.

Kind regards,

Derek Sheldrake
(Men's Get Together Secretary)
