A great speaker every month!

New Milton Men's Get Together (NMMGT) is an open and friendly group of guys, who meet normally on the first Thursday of each month (except Jan 2025: meeting on 9th Jan) from 09.45am in the main hall of New Milton Community Centre, Osborne Road. Our superb speakers cover a broad range of interesting topics such as history and events, travel, science matters, technology, the natural world, personal reminiscences of an eventful life, and much more.

Join us around 09.45am onwards for free tea / coffee and biscuits. Each talk commences at 10.30am, and usually finishes around or slightly before 12 noon. In addition, we occasionally arrange outward visits for some interested club members, for example museum visits or harbour sailing. There is a very modest fee for New Milton Community Centre annual membership, and a small entrance charge for each visit, which covers the cost of the speaker. Our meetings typically finish at about 12 noon.

Why not give us a try? You can come free as a visitor for your first meeting, to see if you like the atmosphere and talks, before making any decision about joining. We look forward to seeing you at one of our future meetings.
